Telephone/ Fax number:

E-mail address:

Name(s) of co-author(s):

Select Journal:

Please select below what's appropriate and return the completed Author Disclosure Form to the editorial office by email (chemistry.journals@betasciencepress.com).

1. Authorship (fill out sections a & b)

a.

I certify that I am the corresponding author for this manuscript. The manuscript is submitted for publication with the knowledge and on behalf of the above listed co-authors.

b.

I certify that each co-author participated sufficiently in the work to take responsibility for the content of the manuscript, and that all those who qualify are listed above. Co-authorship of this manuscript is based on substantial contributions to (a) conception and design, acquisition of data, or analysis and interpretation of data; and (b) drafting the manuscript and/or revising it critically for its intellectual content; and on (c) final approval of the (revised) version to be published. Conditions (a), (b), and (c) must all be met for co-authorship.

2. Responsibilities of the author (fill out sections a & b)

a.

I certify that the manuscript draft represents valid work and that neither this manuscript draft nor one with substantially similar textual content under my authorship/or other (co)-author has been published or is being considered for publication elsewhere, except as described in an attachment, and copies of closely related manuscripts are provided.

b.

I certify that no writing assistance was used in the production of this manuscript draft.

OR

b.

I certify that writing assistance was used in the production of this manuscript draft, and that (all) source(s) of funding for such assistance are clearly identified and stated in the manuscript draft.

3. Financial disclosure (*fill out sections a & b*)

a.

I certify that financial and/or material support was received for this research and/or the creation of this manuscript draft, the financial sources and the extent of involvement of which are clearly identified and stated in the manuscript draft.

OR

I certify that no financial and/or material support was received for this research or the creation of this manuscript draft.

b.

I certify that one or more of the authors have affiliations with (personal, academic or financial relationships that could influence your actions) or financial involvement with an organization or entity with a financial interest in or financial conflict with the subject matter or materials discussed in the manuscript, which have been disclosed in the manuscript. Financial involvement refers to: employment, consultancy, honoraria, stock ownership or options, expert testimony, grants or patents received or pending, royalties.

OR

I certify that none of the authors have any relevant affiliations or financial involvements to disclose as defined in the point above.

Details of all financial and/or material support and conflicts of interests must be declared in a separate 'Financial and Competing interest disclosure' section of the manuscript draft for all authors.

4. Ethical research conduct (*for studies involving data relating to human or animal experimental investigations*)

a.

I certify that appropriate institutional review board approval has been obtained and is described within the manuscript draft

OR (*for investigators/institutions who do not have an scientific ethics review board or committee*)

b.

I certify that the principles outlined in the Declaration of Helsinki have been followed.

I certify that for investigations involving human subjects, informed consent has been obtained from the participants involved and an explanation of how this was obtained is included in the manuscript draft.
